Posted June 8, 2021

The following changes are made for the Commodore Cup Race Day scheduled for June 13, 2021.

There will be a single race for this day, with a scheduled start time of 12:00 pm.

The course will be as described below.

From the start at R #2, head in a NW direction to a mark off of Racing's North Turn Resturant. Pass on the shore side of this mark, continuing up the coast to the Sun Glow Pier. When within 300' and able to see down the north side of the pier, turn counterclockwise to return in the southerly direction. While sailing south again pass between the mark and shore on the way back to R#2.

Keeping R#2 to port, Cruising class boats will take their time when the buoy reads due North (0°/360°) from the helm.

Performance class boats will round the sea buoy and return to the mark off of Racing's North Turn Resturant. The yacht is finished when the marker is due east (90°) of the helm.
