9 THE START

- 9.1 There will be a single start for both Cruising and Performance classes with a warning at 1155. The starting line will be located at the Ponce Inlet sea buoy (R #2).

10 RECALLS

- 10.1 Display of code flag "X" and one sound signal shall signal individual recalls. A boat recalled shall be notified by hail and on VHF channel 72 if possible; however, it is the responsibility of any yacht that is OCS to properly clear themselves.
- 10.2 Display of code flag "I" as the preparatory flag requires a yacht that is OCS within one minute of the start to round an end of the starting line before starting.

11 THE FINISH

- 11.1 The finish line for each of the races is described here. Each competitor should record their own times at each of these locations and subsequently report them as described in 11.4.
- 11.2 **The finish line for Race 1** to the Main St. Pier will be an imaginary line extending between the northeastern corner of the pier and the R/C boat on Station (or mark if deployed). This location will be as close to the Pier as conditions allow, not to exceed 1500 feet if no R/C is present. A yacht shall record their own finish **when they are able to sight along the north side of the pier from the helmsman's normal position if no R/C is present.** If the R/C is present, they will announce the time over the radio. Approaching vessels should hail the R/C before they arrive at the pier.
- 11.3 **The finish line for Race 2** will be an imaginary line extending northward from the St. Augustine sea buoy. A yacht shall record its finish **when the sea buoy is directly south (180°) of the helmsman's normal position.** The buoy shall be kept to port while finishing. Finished yachts should stay clear of the area after they have completed the course.
- 11.4 All boats are instructed to report their finish time as soon after they finish as is possible, ideally within just a few minutes of completing the race. This instruction refers to each of the individual races. Finish times should be sent by text message to 386.679.6314 and 386.451.3509, providing the name of the boat, the race number (1,2), and the local time of day for their finish. Do not report elapsed time.
- 11.5 A yacht failing to report their finish time within 30 minutes of completing any of the races can be penalized using the scoring penalty (RRS 44.3) if the R/C decides such a delay was unwarranted.

12 PENALTY SYSTEM

- 12.1 The Scoring Penalty, rule 44.3 (RRS), will apply for those boats not exonerating themselves under Rule 44.1. A boat will not be scored worse than DNF. (Did Not Finish) for those that choose the scoring penalty.

13 TIME LIMITS

- 13.1 Time limit for all classes to complete Race 2 is 24 hours, or 1200 Sunday, September 5th, whichever is later. If no boat has finished the race by this time, the race will be abandoned by the R/C. This is also the time limit for Race 1.

- 13.2 Boats failing to finish within 24 hours of the start will be considered DNF.
- 13.3 The time reference for all boats shall be that which is provided by the National Institute of Standards and Technology time as broadcast by radio station WWV in Fort Collins Colorado. These may be accessed by telephone at 303-499-7111, Internet at <http://time.gov/widget.html> or by radio. The station radiates at 10,000 Watts on 5, 10, and 15 MHz; and 2500 Watts on 2.5 and 20 MHz. Each competitor is responsible for calibrating their own clocks.
- 13.4 All boats are strongly encouraged to use the RaceQs smartphone application (<http://raceqs.com/>) to track their boat in the races. This free application will allow competitors to replay the race, with an opportunity to see where they may have performed well, or poorly, with respect to the other boats in the fleet. In addition, since the application uses GPS time to report position and location it can serve as a verification of events on the water, possibly to verify the reported finish time, or interactions between boats in the event of a protest.

14 PROTESTS AND REQUESTS FOR REDRESS

- 14.1 U.S. Sailing [Protest forms](#) are available at HRYC and online. Protests shall be filed on a U.S Sailing Protest Form and be delivered within the protest time limit.
- 14.2 The protest time limit is Monday, September 6th at 1200 EDT. Boats that intend to file a protest must inform the R/C of their intentions when they report their finish time. All boats involved in the protest should be contacted by VHF and informed of their involvement by the boat filing the protest at the time of the incident.
- 14.3 The same time limit applies to protests by the Race Committee and Protest Committee about incidents they observe in the racing area and to requests for redress. This changes rules 61.3 (RRS) and 62.2 (RRS).
- 14.4 Protests shall be filed in person at HRYC using a valid copy of the US Sailing Protest form.
- 14.5 Notices of protests by the Race Committee or Protest Committee will be posted in accordance to rule 2.1 of the Sailing Instructions to inform competitors under rule 61.1(b).
- 14.6 Protest hearings shall be scheduled as soon as possible after boats return to shore. All parties listed on the protest form will be advised of the time of the protest hearing. All protest hearings will be held at HRYC, 331 Beach St., Daytona Beach, FL.
- 14.7 A list of boats that, under instruction 14.4, have acknowledged breaking rule 42 or have been disqualified by the Protest Committee will be posted before the protest time limit.
- 14.8 Breaches of instructions 16 and 24 will not be grounds for a protest by a boat. This changes rule 60.1(a). Penalties for these breaches may be less than disqualification if the protest committee so decides.
- 14.9 Decisions of the Protest Committee will be final as provided in rule 64.
- 14.10 All boats shall carry at all times a US Sailing protest form and a standard protest flag.
