2021 SAILING INSTRUCTIONS

AMENDMENT #3

Posted 6/23/21

1. RULES

ADD new rule SI#1.11:

- 1.1 [DP] Security Zone: Coronado Bay Bridge. Federal Regulation 165.1110 provides for a security zone within 25 yards of all piers, abutments, fenders and pilings of the Coronado Bay Bridge. Since entry into, transit through, loitering, or anchoring within any of these security zones is prohibited, this area will rank as an obstruction for the purposes of the Racing Rules of Sailing. When a bridge pier is used as a mark of the course, the mark will be considered to extend 25 yards all around it for purposes of determining the zone.
