7 COURSES

7.1 The courses to be sailed will be described in the sailing instructions.

8 SCORING

8.1 One race is required to be completed to constitute a series. When fewer than six (6) races have been completed, a boat's series score will be the total of her race scores. When six (6) or more races have been completed, a boat's series score will be the total of her race scores excluding her worst score.

8.2 Race Committee will conduct as many races as possible or as seen fit.

9 SUPPORT PERSONS AND VESSELS

- 9.1** Any program entering three or more boats shall supply a support vessel equipped with a working VHF radio, an anchor and a first aid kit. An instructor, coach and/or other support personnel shall drive the support vessel and shall register with the organizing authority at registration to receive safety patrol assignments. Any program with eight or more boats should bring a second support vessel.
- 9.2** Spectator and support vessels shall stay well clear of the race course area while boats are racing and shall monitor the VHF radio for updates and directives coming from the race committee.
- 9.3** Instructors and support vessels shall register with the OA and check-in their sailors.
- 9.4** If a program is not sending a support vessel (e.g., a program is sending fewer than three boats), arrangements shall be made with another program to allow the instructor supervising those sailors to go out on the water. In no circumstances will competitors be allowed to sail without a designated instructor on the race course. Opti Green competitors must have an associated coach boat and coach in attendance on the race course.
- 9.5** A boat retiring from a race shall notify a Race Committee vessel before leaving the course.
- 9.6** An adult (parent, guardian or designated adult) is responsible for the safety of each sailor. It is the responsibility solely of this adult to decide if the sailor should sail in the weather and sea conditions that might arise during the event. The adults supervising the competitors are ultimately responsible for the risks. Parents not personally attending the event must ensure that another adult is authorized and designated to make these decisions for their sailor and each competitor shall indicate in writing the parent or adult representative that shall be responsible for the competitor throughout the event. The designated adult will accept full responsibility for all actions of the competitor during any activity related to the event.

10 RISK STATEMENT

- 10.1** RRS 3 states: ‘The responsibility for a boat’s decision to participate in a race or to continue to race is hers alone.’ By participating in this event each competitor agrees and acknowledges that sailing is a potentially dangerous activity with inherent risks. These risks include strong winds and rough seas, sudden changes in weather, failure of equipment, boat handling errors, poor seamanship by other boats, loss of balance on an unstable platform and fatigue resulting in increased risk of injury. **Inherent in the sport of sailing is the risk of permanent, catastrophic injury or death by drowning, trauma, hypothermia or other causes.**

11 PRIZES

- 11.1** Prizes will be awarded to each member of the crews placing first with 6 or more boats registered, second with 8 or more boats registered, third with 10 or more boats registered and up to fifth with 14 or more boats registered
