

Lake Canyon Yacht Club
2021 Fall Board Boat Club Series
NOTICE OF RACE

Event: 2021 Fall Board Boat Club Series

Dates: September 19, 2021 – October 17, 2021

Host: Lake Canyon Yacht Club, Canyon Lake

Eligibility: The series is open to all Board boat classes

Racing Rules: This regatta will be governed by the rules as defined in *The Racing Rules of Sailing* (RRS) 2021 – 2024, this Notice (except as any of these are modified by the Sailing Instruction associated with this series), the current version of the Canyon Lake Sailing Instructions, and if sailing in a One-Design fleet, the applicable Class rules. This event is classified as a category “A” event. Any additional information will be posted on the Official Notice window of the LCYC Clubhouse.

Scoring: Low point system is outlined in Appendix A of RRS.

Proposed Classes: Sunfish, Sunfish-Women, Sunfish-Juniors, Laser, Flying Scot, Portsmouth Boardboats, Multi-hulls (catamaran), O’pen Bic, c420 and Optimist. Three (3) boats of a class or similar Portsmouth rating constitute a fleet. Actual fleets will be set and announced at the Skipper’s Meeting. No fleets will be formed after the Skipper’s Meeting.

Races: **Four (4)** scheduled races each Sunday, for a total of **eight (8)** races. The best six (6) races for each boat will determine final standings. One race shall constitute the series.

Courses: The course for each race will be posted on the stern of the committee boat before each race. The course for each race shall be at the discretion of the Principal Race Official present.

Trophies: The number of trophies will be determined by the number of boats entered in each fleet by the Skipper’s Meeting. 1-3 boats = 1 trophy, 4-6 boats = 2 trophies, and 7 or more boats = 3 trophies. All finishes will be posted on Regatta Network & awards mailed to fleet winners. All finishes will be posted on Regatta Network. Trophy winners are requested to attend Awards ceremony, or to send a representative. Trophies will not necessarily be retained for future distribution if unclaimed.

Refreshments: Beer, soda & snacks following racing. A dinner and trophy presentation will be held after racing on October 17, 2021.

Timetable:

Sept. 18, 2021	Saturday	2300	End of Early Registration
Sept. 19, 2021	Sunday	0900	End of Late Registration
	(NOTE: New Time SCHEDULE)	1030	Skipper's Meeting
		1200	First Signal
Oct. 17, 2021	Sunday	0900	End of Single Day Registration
		1200	First Signal

Disclaimer of Liability: Competitors participate in the regatta entirely at their own risk. See RRS Part 1, #3, Decision to Race. The organizing authority will not accept any liability for material damage or personal injury or death sustained in conjunction with or prior to, during, or after the regatta. Due to the COVID-19 pandemic, all skippers are required to read the LCYC COVID-19 Task Force Recommendations in NOR Appendix, answer the four questions on registration in Regatta Network and sign the "Regatta Waiver and Release of Liability" document posted on the Regatta Network website along with the Notice of Race (NOR) and Sailing Instructions (SI). A signed copy of "Regatta Waiver & Release of Liability" is to be delivered at the Super Dock prior to race.

UPDATE to Hygiene Addendum & TRAILER SAFETY REVIEW & CHECKLIST: All Skippers & Crew are encouraged to wear masks while on the dock prior to / and after finishing the race.

Insurance: Each participating boat shall be insured with valid third-party liability insurance.

Photography & Video Rights: All marks, pictures, audio and video recordings, graphic logos and service names contained herein or produced during the Regatta by or on behalf of the LCYC are the properties of the LCYC. No rights are granted to use pictures, graphic logos and service names without permission. Competitors give absolute right and permission for video footage or photographs of themselves or their boat to be published in any media for press, editorial or advertising purposes.

Entry Fees: Registrations must be completed online in order for races to be scored. Registration \$25.00 per boat. Late Registration \$35.00 per boat. Single day registration \$15.00 per boat. Youth under 18 years sail free.

Payment Method Options: Club Charge, Paypal® or credit card.

Appendix:

COVID-19 Recommended Guidelines

Social/Physical Distancing

- Maintain a distance of at least 6 feet (about 2 arm lengths) from people outside of your household while on club property and at club events.
- Comply with limits on the size and location of group activities, gatherings, and events, as directed by the Commodore or other appointed or designated club leadership.
- Avoid enclosed places where distancing is not possible.
- Respect the social distancing needs of others.

Hygiene

- Wash your hands often with soap and water for at least 20 seconds, especially after being in a public place, and after blowing your nose, coughing, sneezing, or using the bathroom.
- If soap and water are not readily available, use self-provided hand sanitizer that contains at least 60% alcohol.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Avoid physical contact (including hand shaking, hugging, or sharing food or utensils) with persons outside your household.
- Cover coughs and sneezes with a tissue, if possible, or cough and sneeze into your elbow.
- Wear a face mask when physical distancing is not possible.

Symptoms, Suspected COVID-19 Infection or a Positive Test for COVID-19

- Do not come onto club property or attend club events if you are experiencing any communicable illness or any symptoms of COVID-19, as identified by the Centers for Disease Control and Prevention. A current list of COVID-19 symptoms is available here: <https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html>.
- Promptly notify club leadership and those with whom you had contact while at the club or attending club events if you test positive for COVID-19 or experience symptoms of COVID-19 within 48 hours of being on club property or attending a club event. Individuals who should be notified are those with whom you had contact within 48 hours of taking the COVID-19 test or experiencing symptoms.
- Any individual who (i) has symptoms of, (ii) suspects he or she may have COVID-19, or (iii) tests positive for COVID-19 must not come onto club property or attend club events until the individual has completed *all* of the CDC's requirements to be around others. These requirements are set out on the CDC website at "When You Can be Around Others After You Had or Likely Had COVID-19," which is available here: <https://www.cdc.gov/coronavirus/2019-ncov/if-you-are-sick/end-home-isolation.html>

NOTE: TRAILER SAFETY REVIEW & CHECKLIST

LAKE CANYON YACHT CLUB TRAILER SAFETY REVIEW & CHECKLIST

Properly sized and installed Ball, Hitch, Coupler and Safety Chains are required for launching and recovery.

It is the responsibility of the owner/vehicle operator to understand the loads and install the proper Hitch, Ball, Coupler and Safety Chains and ensure that his/her boat does not become detached from the vehicle.

Here are some points and considerations gathered from TAC 37. 21.5 (d) and SAE J684 sec 7. These are not all inclusive and your boat and trailer may require additional safety measures.

If you are unsure of your Trailer and Boat combined Gross Vehicle Weight (GVW) then you should determine that to ensure that your Hitch, Ball, Coupler and Safety Chains are sufficient.

The Trailer's Ball Coupler should be sized to the Ball being used and properly adjusted to minimize play and to prevent popping off. You should inspect the coupler and test it to ensure it is properly seated and attached. Use a Pin, Lock or Bolt to ensure that the Coupler locking lever is secured. Also ensure that the Ball is in good condition and properly bolted or attached to the Hitch. Ensure that the Vehicle Hitch Bolt and Locking Pin are secured.

Safety chains should be sized to fit the job. Each link/piece in the chain must have an ultimate strength of not less than the gross vehicle weight (GVW) of the items being towed. Over-rated chains are OK They should have no more slack than is necessary to permit the vehicle to turn properly and should be attached to the sides of the trailer tow bar, equal lengths on either side. The S hook style chains are not recommended although they might be sufficient for a light-weight trailer & boat. Gated Clevis Hooks with chains are preferred. The hooks should be clipped to the vehicle's frame, not the receiving hitch, in a crossed fashion (to act as a cradle for the tow bar in the event of accidental release). The hooks should be gated for a better connection. Avoid applications that alter the Hitch, Ball, Coupler, Chains and connections in any way. Welding, stretching links to accommodate bolts and twisting them to shorten the effective length reduces the overall chain strength. Safety Cables without additional Chains and Clevis Hooks are not recommended.

The following page is the trailer safety inspection checklist you will be asked to sign prior to launching your boat at the LCYC Ramp.

LAKE CANYON YACHT CLUB

TRAILER CONNECTION GENERAL CONDITION (circle one)

Surface rust	Y	N
Penetrating rust	Y	N
Are any chain links stretched	Y	N
Is chain welded or any links damaged	Y	N
Any signs of wear, stress or chain drag	Y	N
If S-hook, they are Gated	Y	N
Using Gated Clevis Hooks	Y	N
Equal distance on either side of tow bar	Y	N
Chains are Crossed (and not twisted)	Y	N
Securely attached to side or top of trailer	Y	N
Securely clipped to the vehicle frame	Y	N
Both trailer and boat are insured	Y	N

Owner/vehicle operator has completed the above checklist and certifies that the proper Hitch, Ball, Coupler and Safety Chains and Hooks have been installed and inspected.
