

NOTICE TO COMPETITORS

75th Mercury Class National Championship

August 27-29, 2021

Hosted by Stillwater Yacht Club

1576 Cypress Drive
Pebble Beach, CA 93953

Subject: Limited Pier Access on Thursday, August 26th

The Pebble Beach Company has scheduled a private party to be held on Stillwater Pier the evening of August 26th. We must suspend our activities on the pier by 1700 hours to allow the caterers time to set up for the event. Boats that are on the pier and rigged will need to be consolidated in the area by the hoist. Empty trailers should be removed from the pier and taken to the parking area between the tennis courts and the 3rd fairway. Boats that are not rigged and boats arriving after 1700 hours will need to be stored in the same parking area until Friday morning. Sail measurement on Thursday will continue until 1800 hours at tennis court #8. Please plan your schedule accordingly.

We regret any inconvenience due to this last-minute conflict and appreciate your cooperation.

Questions can be directed to Richard Clark, Regatta Chairperson at (831) 595-2208 or dnjclark@comcast.net
