

The 68th Mug Race

84 boats entered, including our first foiling windsurfer. 80 boats started, and 57 finished. Strong, shifty winds in the afternoon made it a challenge for some boats. The last boat to finish crossed the line at 5:29 pm, the earliest time that I can remember.

When he was told the finish line would be open for another hour, the family went back out and received a 1st in class on corrected time.)
