3. ENTRIES AND QUALIFICATION

3.1 Sailboats shall comply with US Sailing "Safety Equipment Requirements" (SER) - "Nearshore" category.

3.1.1 In the event of a conflict between the SER and applicable class rules, the class rules shall govern.

3.2 Qualification. Races are open to PHRF Handicap (PHRF SPIN and NON-SPIN), One Design class boats with at least three participants, as well as any Cruising Class boats.

3.3 A competitor who will not have reached his/her 19th birthday by December 31 of the current year may race as a Junior.

3.4 Registration. A completed entry on the corresponding Regatta Network event site, prior to the start of the first race of the event, is required for each event. If the event is part of a larger series, the yacht will be entered and scored for the entire series. A boat may not enter in more than one class in a start sequence. It is the sole responsibility of the entrant to see that the completed online registration is submitted no later than the start of the event's first race, or by the deadline specified in the Event Notice.

3.5 Ratings: A boat entered in a CBYRA sanctioned Handicap Division class shall have a valid rating or measurement certificate on file with the appropriate CBYRA organization. PHRF entries shall also conform fully to the requirements described on the Entry Form under Class Information, unless otherwise stipulated in the Event Notice for a particular race or series. The General or Event Sailing Instructions may have additional requirements. The Race Committee may assign ratings to boats not holding valid certificates only for the purpose of club scoring in non-CBYRA sanctioned events (i.e. FBYC Cruising and Classic Divisions) or non-sanctioned classes. Such ratings are at the discretion of the Race Committee and not subject to appeal.

3.6 Sail Numbers: For any sanctioned event, a boat shall display either US SAILING sail numbers, or the numbers listed by CBYRA, or the sail numbers listed in the roster of sail numbers as maintained by her class. It is the responsibility of the entrant to clearly identify the boat and its class. It is acceptable for a boat to race using sails that differ from that boat's proper sail number, so long as the skipper informs the Race Committee of the change prior to the first start of the day, and receives its acknowledgment.
