11 CHANGE OF THE NEXT LEG OF THE COURSE

18 EQUIPMENT AND MEASUREMENT CHECKS

A boat or its equipment may be inspected at any time for compliance with the class rules and sailing instructions.

19 DISCLAIMER OF LIABILITY

Competitors participate in the Regatta entirely at their own risk. See RRS 3, *Decision to Race*, which states: 'The responsibility for a boat's decision to participate in a race or to continue racing is hers alone.' By participating in this event each competitor agrees and acknowledges that sailing is a potentially dangerous activity with inherent risks. These risks include strong winds and rough seas, sudden changes in weather, failure of equipment, boat handling errors, poor seamanship by other boats, loss of balance on an unstable platform and fatigue resulting in increased risk of injury. **Inherent in the sport of sailing is the risk of permanent, catastrophic injury or death by drowning, trauma, hypothermia or other causes.** The organizing authority will not accept any liability for material damage or personal injury or death sustained in conjunction with or prior to, during, or after the regatta.
