FURTHER INFORMATION

The Columbia Gorge Racing Association is pleased to welcome our friends from the Laser Masters and Tasar classes to the second annual Skamania Coves Invitational Regatta. We will again be shifting our venue a few miles upriver and setting up base camp at the [Resort at Skamania Coves](#), a beautiful 30-acre waterfront property on the Washington side of the Columbia River, one mile east of Stevenson, WA.

The Resort offers a range of lodging options, from tent and RV camping to luxury two-bedroom cabins, all with breathtaking views of the river and surrounding mountains (see details below). There's ample lawn and beach area for staging and launching boats, plus a 100-ft dock. The cove is well protected and just a short sail from the start/finish line. The CGRA race team is aiming for fun, informal racing that takes full advantage of the venue's larger waves and wide-open spaces (there are rumors of a long-distance burn down to Home Valley and back). Start times will be flexible to align with optimum sailing conditions and accommodate onshore socializing.

Think of this as a "bush regatta" for adults!

LODGING OPTIONS AT THE RESORT AT SKAMANIA COVES

- Six luxury cabins (sleep 4-6 each, \$345-\$400/night), plus a very cool Treehouse (sleeps 2, \$335/night). Prices do not include taxes and cleaning fee.
- Eight tent sites with convenient access to restrooms, showers, potable water, 110-volt power, and a coin op laundry (\$27.43/night including tax).
- Nine RV spaces with full hookups (\$59.24/night including tax).
- To book lodging, contact Scott Lonsway via email at scott@ssiworld.com or phone 503-519-4359. **Note:** since CGRA has reserved the entire resort for the weekend, all bookings must go directly through Scott; you will not be able to book through the Skamania Coves website.
- Other local lodging options can be viewed online at www.cgra.org.

COVID-19 REQUIREMENTS

All the usual COVID-19 precautions, restrictions, and contingencies will apply, in accordance with local, state, and federal regulations in effect at the time of the event (fingers crossed that by August the emphasis will have shifted from "distance" to "social"!).
