

## 2022 Wet Wednesday Amendment to the SI

06/22/2022

Based on the Ventura Port District regulations, <https://venturaharbor.com/rules-regulations/>  
<https://venturaharbor.com/wp-content/uploads/2021/11/ordinance44-10-22-08.pdf>,  
Article 302 states that a speed limit of 5mph must be adhered to. There is no mention of Spinnakers.  
Therefore, the SI 10. Finish Line is modified

From:

10.3 Shortly after finishing, and before reaching a line between the two on-shore breakwalls, spinnakers are to be struck in order to maintain safe maneuverability and legal speed in the harbor.

modified to:

10.3 In lighter air to facilitate returning to a boat's slip without running an engine. After finishing Spinnakers may be flown at the skipper's discretion if the speed limit is adhered to. If the Ventura Harbor Patrol orders you to strike your Spinnaker, please do so.

Due to the Mandalay Bouy drifting the WW course chart has been updated.
