

# Supplements & Changes to Sailing Instructions

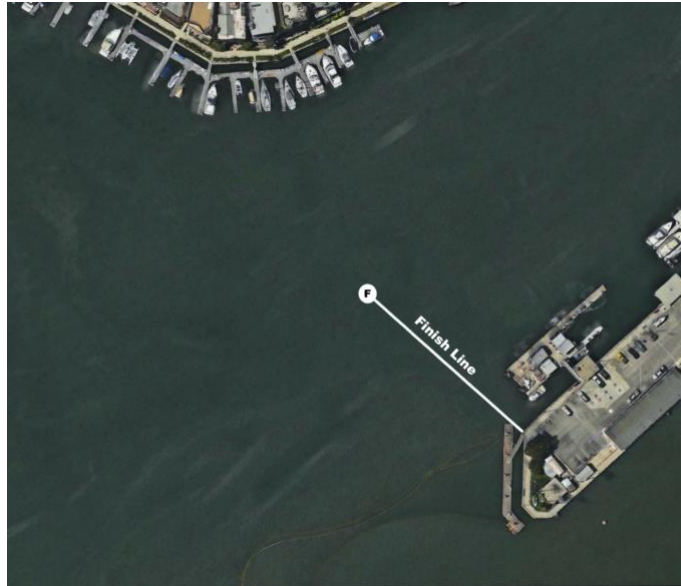

## Pop Tops - 2022

April 15, 2022

- 1. Mark "A"** - "A" Buoy at the entrance to Alamitos Bay Marina (ABM) is considered a "Mark" (in addition to being the start of a continuing obstruction) for all Pop Tops Race Courses. A 3-boat zone shall be in effect for determining "Mark" room at "A" Buoy. This changes Rules 18.1(d) and 19 for Mark "A" only. "A" Mark shall be passed to port. In the event that "A" Buoy is missing, the first center of channel buoy will be considered as a replacement for "A" Buoy.
- 2. Continuing Obstruction** - A boat that crosses the "Continuing Obstruction" down the channel entering Alamitos Bay must take a one-turn penalty as soon as it has cleared the end of the Continuing Obstruction or be subject to protest and/or disqualification.

- 3. Finish line** - The finish line will be between the Navy Yacht Club facility and the center of channel buoy or an Orange flag in front of the Navy Yacht Club. This changes Sailing Instructions-Pop Tops 2022 Course Chart #11. (Note that the Center of Channel Buoy has been moved Southwest from its prior location to help square the finish line.)

- 4. Time Limit** - The race will be called at 2030 for any class if no boat in that class has finished and boats in that class will be score DNF. A boat finishing prior to 2030 hours shall establish the race for its class and boats in that class will be allowed to finish, and will be scored if they finish prior to 2045. No boats will be finished after 2045. This changes *RRS* 35. This changes the Notice of Race and SI #13 regarding Time.
