

ASI NOR Amendment #2 – posted 7/4/22

The SYC board has voted, and will graciously allow every sailor on the waiting list to fully register for the event. Note that event fees will have to be paid in full by the previously stated deadline **before 2359 July 8, 2022. There is NO on site registration. If registration fees are not paid by this deadline the registration will be incomplete, and will cancel.**

Also please note that **no refunds will be provided** if the sailor withdraws after this same deadline.
