

PRSA COVID-19 Guidelines amended 5/28/22 8a ET (see correct Maryland and Washington D.C. link location, and verbiage to “adhere” to these resources across all localities listed)

PRSA COVID-19 Guidelines

- The number one rule is safety. Please be considerate of others. We have a responsibility to fellow members as well as ourselves.
- Remember that PRSA does not own nor control the facilities at Washington Sailing Marina (WSM). We are asking all PRSA members to adhere to these guidelines when participating in PRSA events for the health and safety of our members and for the health and safety of all of those who use WSM facilities.
- Competitors and family/friends should have a mask available and follow posted restrictions when using the Marina facilities.
- As the status of, and guidance around, COVID-19 evolves, we will follow guidance from Alexandria, VA, VA, Washington D.C., and Maryland. Check these resources for updated transmission rates, and adhere to restrictions, around COVID-19:
 - Alexandria, VA: <https://www.alexandriava.gov/covid-19/covid-19-protect-yourself-others>
 - VA: <https://www.vdh.virginia.gov/coronavirus/>
 - Washington D.C.: <https://coronavirus.dc.gov/>
 - Maryland: <https://coronavirus.maryland.gov/>
- Children under 18 must be accompanied by an adult.
- Be prepared to leave the dock as soon as possible once you have launched your boat. Please ***do not*** launch your boat, tie it up, and leave it at the dock.
- Bathroom facilities at WSM are currently open. However, PRSA cannot guarantee that facilities will be available on a given day (this is controlled by WSM).
