This a pursuit start which means that you will be usually starting by yourself (except when another boat has the same rating) without any other boats in the starting area.

1. In lieu of a skipper's meeting, start times & scratch sheet will be emailed to all participants the night or early morning before the race.
2. The on-the-water race committee will do a normal 5 minute warning for the first start time at 1200. The race committee will monitor channel 69 and will announce individual boat start times. Each boat is responsible for knowing its own start time and starting appropriately.
3. The course to race will be posted on the starboard side of the committee boat and/or announced over VHF 69.
4. There will **not** be a race committee boat at the finish. Each boat is responsible for taking its own time at the conclusion. **Text** finish times (**not elapsed time**) to Bob Behringer (732-245-2826) at the conclusion of the race. See the diagram below for finishing instructions.
5. There is a seven (7) hour time limit for this race.
