- 2.3. **Conflicts:** In the case of a conflict between the Notice of Race and the Sailing Instructions, the Sailing Instructions shall govern. This modifies Rule 63.7.
- 2.4. **Individual Recall:** The Race Committee may attempt to hail boats in violation of RRS 29.1 by VHF. Failure to hear the sound signal required by RRS 29.1 or a VHF hail shall not be grounds for redress. This modifies RRS 29.1.
- 2.5. **Protests and Redress:** The time limit is one hour after the last boat in the race finishes. The intention to protest shall be announced by hail or VHF to the Race Committee and shall include the sail numbers of the protested yacht or yachts. Protests and requests for redress must be submitted in writing within the time limit on the standard U.S. Sailing Protest Form. This modifies RRS 61.3 and 62.2.
- 2.6. **Penalties:** In the spirit of Corinthian sailing, competitors are encouraged to take “turns” penalties at the time of the incident as specified in RRS 44.1 and 44.2. Failure to take turns does not preclude a competitor from taking a Scoring Penalty under RRS 44.3 by displaying a yellow flag from the time of the incident and informing the Race Committee within 1 minute of finishing.

- 2.7. **Protest and Redress Hearings:** Valid protests as defined by RRS 61 and RRS 62 will be heard in the Judges Area as soon as practical after the boats involved have finished. This changes RRS 63.2.
- 2.8. **Official Notice Board:** Changes and amendments to the NOR and the SIs and for protest notices will be posted on the [Regatta Website Official Notice Board](#). Reasonable efforts will be made to inform competitors via email of new postings to the Official Notice Board on the event web site. Failure to receive such alerts shall not be grounds for redress. Oral changes to the sailing instructions may be given by the Race Committee on the water in accordance with RRS 90.2 (c). Every attempt will be made to inform competitors of such changes by VHF. Failure to receive such instructions shall not be grounds for redress.
