

Re: Participation in Sailing Programs at Royal Victoria Yacht Club

Risk Recognition Statement & Acceptance

Further to your registration in our Sailing Programs, including Club Race Team, Learn to Sail Programs, School Programs or Training camps either through us or via a third party (City of Victoria, BC Sailing or Sail Canada)

We want to draw to your attention to the fact that, sailing, like all sports has some risk and by making application for the enrolment and participation in our programs and courses offered by or through Royal Victoria Yacht Club, that both the participant and the parent or guardian acknowledges and accepts that sailing and water sports in general carry certain risks of injury or death, including but not limited to drowning, hypothermia, concussion or other physical injury, and potential transmission of illness from other participants.

We would ask that the Parent or Guardian discusses these risks with the participating sailor, cautioned them appropriately and equipped them for these risks to the greatest degree possible.

Lastly, we would ask that you please sign below acknowledging your understanding of the risks associated with sailing, and return the form to my attention via email, in person, fax, or mail.

Yours truly,

Stephen McBride Sailing Program Coordinator and Head Coach

I hereby agree and understand that there are risks associated with Sailing and my participation in the programs is based on my having prior knowledge of these risks.
