- 4.1. Signals made ashore will be displayed from the PPYC flagpole on the deck.
- 4.2. When flag “AP” is displayed ashore, ‘1 minute’ is replaced with ‘not less than 30 minutes’ in the Race Signal “AP.” This changes the meaning of Race Signal “AP.”

- 10.1. The race will be a pursuit format with the starting sequence applying to all classes for all races. However, the order of start for classes after the first race shall be at the discretion of the Race Committee.
- 10.2. A boat participating in the race, or a committee boat will be designated as the sound signal boat. Times shall be taken from the sound signals. Visual signals (flags) will not be used. This changes RRS 26.
- 10.3. The normal Wednesday Night 6-minute starting system will be used to count down to the “zero starting time.” At approximately 1100, a three short sound Warning Signal will be given. Exactly one minute later, a single long sound Preparatory Signal will be given. Exactly five minutes later, a single long sound Starting Signal will be given. This Starting Signal begins the pursuit start countdown for each boat. This changes RRS 26.
- 10.4. Each boat’s starting time will be listed on a *Pursuit Race Starting Times* sheet or otherwise provided to the boat.
- 10.5. The starting time is the number of minutes and seconds after the Starting Signal, unless a boat has a negative starting time, in which case the boat can start that number of minutes and seconds prior to the time for the Starting Signal.
- 10.6. The starting line will be two no wake buoys or buoys set by committee boat at the mouth of the Hamilton Creek Sailboat Marina cove.
- 10.7. After the Starting Signal, **boats that are not in their final approach to the starting line MUST STAY WELL CLEAR of the starting line and any boats that are approaching the line to start.**
- 10.8. A boat starting later than 15 minutes after her starting time will be scored as Did Not Start without a hearing. This changes RRS A4 and A5.
- 10.9. Starting Sequence Example:

 - 12.1 The regatta chair will announce on **VHF 68** that “the course will be shortened in five minutes.” The Chair will count down the 5 minutes in one-minute increments.
 - 12.2 At the end of five minutes the Chair will announce that the race is over.
 - 12.3 Boats will finish in place at that final announcement. Each boat is required to note the boat ahead of them and the boat behind them and immediately Email from their phone to racing@ppyc.org this information to complete the finishing order.
13. **THE FINISH** – The finishing line will be the same as the starting line. A separate race committee boat may be used for finishing. See Addendum A for Start Finish configuration. If a committee boat will be used, it will be announced at the Skippers meeting. Each boat shall record the boat that finishes directly before it and directly after it and provide this information to the regatta chair immediately after the race.

 - 14.1. The time limit for the first boat in a class to finish will be 1600 hours (4:00 pm).
