

Old Cove Yacht Club Team Trophy

Whitebread 29 Entry Form

Three boats from two or more divisions 1 through 6 can constitute a team. Teams may represent a Yacht Club or a Sailing Association. A boat can be registered as a member of one team only. If you type this form, you must save it first, and then attach it to your email to submit it.

Teams will be scored by using the combined corrected racing time of each team boat. The low total racing time wins. The winning boats will receive individual prizes and the winning team name will be inscribed on a perpetual trophy.

Yachts wishing to compete for this trophy must submit this application by email to Steve Weiss stephenweiss@mac.com and to Don Suter admin@pbsa.us no later than 1830 on 30 September, 2022.
