## 1. RULES

- 1.1 The regatta will be governed by:
- the rules as defined in *The Racing Rules of Sailing* ("R.R.S."),
  - the Safety Equipment Requirements for Coastal Races ("SER") as published by US Sailing and as modified for this Regatta (available at [www.HarvestMoonRegatta.com](http://www.HarvestMoonRegatta.com) under "Race Information"), and by
  - the rules of the Harvest Moon Regatta® Cruising Class for monohulls (See 1.11 below) in
    - the Cruising Non-Spinnaker Fleet,
    - the Cruising Spinnaker Fleet.
  - the rules of the [Offshore Racing Congress Club Rule](#) ("ORC Club") for Monohulls competing in the Bacardi Fleet.

Page 1 of 9

- e. the rules of the [Performance Handicap Racing Fleet of Galveston Bay](#) (“PHRF”) for Monohulls competing in the PHRF Non-Spinnaker and all Cruising Fleets.
- f. the rules of the Texas Offshore Multihull Association (“TOMA”) for Multihulls.

1.2 Failure to meet a Safety Equipment Requirement is not subject to protest by another boat; this modifies R.R.S. 60.1. The Race Committee may file a protest if it has reason to believe a yacht has failed to abide by the Safety Equipment Requirements.

1.3 R.R.S. Appendix V2 will apply.

1.4 Competitors are reminded that, under the preamble of Part 2 to R.R.S., when a boat sailing under the rules meets a vessel that is not, the rules require that she comply with the International Regulations for Preventing Collisions at Sea (“I.R.P.C.A.S.”) or government right-of-way rules. In addition, the rules of Part 2 of the R.R.S. are replaced by the I.R.P.C.A.S. between sunset and sunrise.

1.5 **Interfering With Commercial Traffic:** If the Race Committee receives a confirmed report from a disinterested party that a boat interfered with commercial traffic in violation of the I.R.P.C.A.S. while transiting to the race area, while *racing*, or while transiting to her mooring after *finishing*, the Race Committee will protest that boat and seek disqualification. **ANY BOAT AND SKIPPER SO DISQUALIFIED WILL NOT BE ALLOWED TO ENTER ANY FUTURE HARVEST MOON REGATTA® or LAKEWOOD YACHT CLUB EVENT.**

1.6 **Inspections:** The Race Committee may inspect a boat any time after the Skippers Meeting and prior to the awards ceremony. An inspection may be performed, at the discretion of the Race Committee, in person or by requesting photographic or video evidence that a boat meets specific requirements. If the boat is not available for inspection, the Race Committee will protest that boat. Boats not intending to berth in the vicinity of Port Aransas after the finish shall make prior arrangements with the Principal Race Officer.

1.7 R.R.S. 62.1(c) is modified so that a boat may be given redress in the event of giving help in compliance with R.R.S. 1.1, even if help is to herself or her crew.

1.8 The rules will be modified to allow cruising boats to carry a sign with a number assigned by the Race Committee in lieu of a sail number conforming to Appendix G of the R.R.S.

1.9 Power-driven winches are permitted in the Multihull C Class. This changes R.R.S. 52.

1.10 Rule 40.2(a) is changed so that the phrase “while *racing* in that race” is replaced with “while *racing* in that race except when the competitor is below decks.” Rule 40.2(b) is changed so that the phrase “at all times while afloat that day” is replaced with “at all times while afloat during the race except when the competitor is below decks.”

1.11 The following rules apply to the Cruising Fleets only:

- a. Power-driven winches are permitted. This changes R.R.S. 52.
- b. Headsails, foresails, or oversized jibs, greater than the largest jib rated on entry, shall not be used in the Non-Spinnaker Fleet.
- c. Two headsails may not be carried at the same time, except that while changing headsails, the replacing sail may be set and trimmed before the replaced sail is lowered. For purposes of this rule, a staysail on a cutter rigged boat is not considered a headsail.
- d. Pole lifts and down hauls may be used.
- e. A whisker pole may be used to wing out a headsail, the luff of which must be attached to a headstay. A whisker pole or spinnaker pole may not be used to wing out an asymmetrical spinnaker.
- f. Staysails shall not be used except on boats in the Cutter division to which the staysail is furled or hanked onto an inner forestay permanently attached at the mast.
- g. The Cutter division is limited to boats with a Displacement to Length ratio over 200.
- h. Boats in the Cruising divisions (both spinnaker and non-spinnaker) shall only use mainsails and headsails constructed of woven polyester such as Dacron.

1.12 CLEAN REGATTA PLEDGE: We pledge our commitment to clean waters and shores by participating in Sailors for the Sea’s [Clean Regattas](#) program. We vow to fulfill, and encourage others to fulfill, the goals and requirements of Clean Regattas as set forth by Sailors for the Sea, and to work to protect and restore our waters for the use and enjoyment of current and future generations. *Clean Regattas is a program of Sailors for the Sea, a nonprofit organization that educates and empowers boaters to protect and restore our oceans and coastal waters*
