**HYRA – PHRF Committee – 2022-06-27**

## **2022 Kalakaua Cup – Boats Without a current YRA Certificate**

**Committee Chair: Rich Smith, HYRA Vice Commodore**

1 – Beginning in 2022 HYRA deferred PHRF ratings from US Sailing to YRA. Going forward **all** boats racing in **HYRA** races are required to have a current YRA Certificate.

2 – For Kalakaua Cup **only**: Un-rated, un-modified boats without a current YRA PHRF certificate, may participate, but will use the default YRA PHRF rating for that model of boat.

3 – For Kalakaua Cup **only**: Un-rated, modified boats without a current YRA PHRF certificate, may participate, but will take the default YRA PHRF rating for that model of boat or another rating for that boat, which ever is faster.
