Launching ramps are also located nearby as well. A representative from North Sails will also be holding a clinic on Friday, August 17 for any interested regatta participants.

Measurement: Boats and sails must conform to the Official Plan. Each boat must carry equipment required by FSSA By-Law Article S-V2 restrictions and US Coast Guard requirements.

Scoring: Scoring will be the low scoring system as defined in RRS Appendix A. A boat's series score will be the total of her race scores; no score will be excluded. Five races are scheduled; however, one race is required to constitute a regatta.

Awards: Awards will be given to skipper and crew of the top 3 finishing teams.

Liability: Competitors participate in the regatta entirely at their own risk. See Rule 4, Decision to Race. The organizing authorities will not accept any liability for material damage or person injury or death sustained in conjunction with or prior to, during or after the regatta.
