## AMENDMENT #3

Posted 8/26/22

### 9 SCORING

9.4 ORC boats will be scored using their Triple Number All Purpose Medium Time-on-Distance values.

(From Amendment #1)

*IS REPLACED BY*

9.4 ORC boats will be scored using **PHRF Time-on-Distance ratings.**

Purpose: I was unable to develop start times as planned based on the ORC ratings because the pursuit calculator utilizes PHRF ratings only and is based on the highest rated PHRF boat.

The Sport Boats will compete as a class and against all the other boats in the race using their RLC PHRF ratings.

Further, the OA relieves the sport boats from the requirement to have a PHRF certificate for this event.
