11.2) The adult representative (parent(s) or guardian(s) is/are responsible for the safety of the sailor. It is the responsibility solely of the parent or guardian of the sailor to decide if the junior sailor shall sail in the weather and sea conditions that might arise during the event. Parents not personally attending any part of the event must ensure that another adult is authorized and designated to make these decisions for their junior sailor. It is the competitor's designated adult's decision to enter the regatta and to start or continue any race. The adults supervising the competitors are ultimately responsible for the competitor. This includes ensuring that the competitor wears a US Coast Guard approved PFD at all times while on the dock or on the water and wears appropriate clothing for immersion in cold water. The designated adult will accept full responsibility for all actions of the competitor during any activity related to the event. This includes on-shore activities before, during, and after the regatta.

11.3) By participating in this event, competitors automatically grant to the Organizing Authority and the event sponsors the right, in perpetuity, to make, use and show, at their discretion, any photography, audio and video recordings, and other reproductions of them made at the venue or on the water from the time of their arrival at the venue, until their final departure, without compensation.

11.4) Competitors shall accept that their participation in the regatta is at their exclusive risk in every respect. The Organizing Authority, the respective Host Sailing Club, their officers, members, servants and agents, and the Race Management team accept no responsibility with respect to loss of life, illness, personal injury or loss or damage to property which may be sustained by reason of their participation or intended participation in the regatta or arising in connection with the regatta.
