

TWO HARBORS FALL SERIES
Sailing Instructions
Addendum 1, Effective 11/8/22

This addendum replaces Paragraph 10, Channel Islands Finishes with the following:
Due to the dredging operations at Channel Islands Harbor we are not permitted to finish behind the detached breakwater. The new finish will be outside the detached breakwater between channel marker 1 (1 on the image below) and the committee boat (2 on the image below). Take the committee boat (2) to starboard and channel marker 1 to port.

NOTE: The map is not to scale. The position of the committee boat is approximate.
