

Moorage

The north end of the guest dock is reserved for moorage. Please raft as much as reasonably possible so as to share the guest dock with others in the boating community. Please contact the race committee if you have any questions.

Parking

FREE PARKING

- Gravel lot in front of the Hood River DMV - This is suitable for both vehicle and trailer parking. It is the closest free parking to the boat ramp as well. Two vehicle event passes are provided in your welcome packet for parking in the gravel lot. Please place them on your dashboard so that they are visible. It is NOT valid at the boat ramp parking lot. All event parking is on a first come first serve basis. A trailer tag has been added to your welcome packet. Please attach the tag to the tongue of your trailer so that it is visible.
- Marina parking lot - Do not park trailers in the marina parking lot. Please consider parking vehicles on the west side of the parking lot so as to keep the closer spaces available for marina tenants

PAID PARKING

- The boat ramp parking is a paid parking area only. If you park here, please try to maximize the space so that trailer parking is not wasted on single vehicle parking. Parking is \$2.50 an hour or \$15 or day. If 2 cars are in one overlength spot both cars need to pay.
