These risks include strong winds and rough seas, sudden changes in weather, failure of equipment, boat handling errors, poor seamanship by other boats, loss of balance on an unstable platform and fatigue resulting in increased risk of injury. Inherent in the sport of sailing is the risk of permanent, catastrophic injury or death by drowning, trauma, hypothermia or other causes.
- 8 INSURANCE AND SAFETY EQUIPMENT:** All boats shall carry third-party liability insurance and a VHF radio with Channels 16 and 68. Compliance with near-coastal safety equipment requirements (<https://ussailing2018.wpenginpowered.com/wp-content/uploads/2022/01/Monohull-SER-2022.0-Nearshore.pdf>) is strongly recommended.
