6 CLASS STARTING ORDER

- 6.1 Classes will start in reverse order, with slower classes starting first and the faster boats starting last.
- 6.2 The RC may cancel or combine starts. It is the responsibility of a boat to start at her signaled start time. You may expect a gap of at least one minute between starting sequences.
- 6.3 Starting order and assignments are posted as NoR Amendment #2 on the [Event Website](#).

7 ENTRIES & CHECK-IN:

- 7.1 [DP] Boats complete their entry by checking in with the RC boat prior to the first warning signal. Boats checking in shall pass the RC boat to starboard and hail with sail number, class, and the *number of souls on board*. Check-in will be complete when the RC boat responds with that information. There will be no radio check-in.
- 7.2 Check-In will commence when the "L" flag is hoisted.
- 7.3 Check-in may continue after the first warning at the sole discretion of the R/C (but not within one minute of any start).
- 7.4 [DP] All boats shall have clearly visible sail numbers. Missing, improper, inconsistent, unclear, illegible, or numbers other than those used for Check-In, are not permitted, and may result in being scored DNF. This modifies RRS Appendix A5.
