11. CHECK IN - CHECK OUT

All boats shall check in with the race committee (RC) before the first preparatory signal of the first race of the day. Boats shall pass astern of the committee boat on either tack, so that their sail number can be recorded. Any boat leaving the course prior to the end of racing for the day shall endeavor to check out with an RC boat with a verbal hail, radio call on VHF CH 72 or cell phone call to 312.907.5580.

12. MARKS

All marks will be identified at the competitor's meeting.

13. THE START

1. Starting marks will be:
 - (a) The port limit mark, the same as the finish mark.
 - (b) The pathfinder.
 - (c) There will be no gate launch boat.
2. Races will be started using RRS 26. Signals will be displayed from the race committee boat, which will also display flag G, signifying a gate start.
3. The pathfinder for the first race sailed will be appointed by the race committee. The pathfinder for subsequent races will be the boat that finished third in the preceding race. When this boat is unable to race or has acted as pathfinder previously, the pathfinder will be appointed by the race committee and will normally be the boat that finished fourth in the preceding race. The sail number of the pathfinder will be posted on the official notice board for the first scheduled race of the day, and on the race committee boat for the second and subsequent races of the day. Prior to the preparatory signal the pathfinder shall report to the RC signal boat, which will be near the port limit mark.
4. At the starting signal, the pathfinder will begin a close-hauled port tack from to leeward of the port limit mark.
5. The starting line (except for the pathfinder) will be between the port limit mark and the center of the stern of the pathfinder.

6. The starting line will be open from the time the pathfinder has passed the port limit mark. Before each start, the RC signal boat will display the maximum amount of time that the gate will remain open after the starting signal. This time will not be less than 30 seconds. This changes RRS 26.
7. All boats (except for the pathfinder) shall start on starboard tack after the pathfinder passes the port limit mark. RRS 29.1, individual recall, shall not apply.
8. The pathfinder shall sail a close-hauled course until the end of the start time limit, after which it ceases to be a starting mark and may continue or tack onto starboard tack.
9. The RC may, if all boats have started before the designated time, drop the G flag with horn to release the pathfinder.
10. At the end of the designated start time the G flag will be dropped with a long horn. Thereafter, no boat shall start and any boat that has not started shall be scored DNS without a hearing. This changes RRS A4.
11. Before starting, a boat shall not interfere with the pathfinder. Any boat that interferes with the pathfinder or the causes another boat to interfere in any way, shall retire from the race and shall be ineligible for any restarts of that race unless the infringing boat can satisfy the race committee that its actions were caused either by another boat not having right of way or by some other unavoidable circumstance. This changes RRS 63.1.

14. THE FINISH

The finishing line will be between the staff displaying a blue flag on an RC boat and the course side of the finishing/port limit mark.
