CHANGE

- 8.1 The racing area on Saturday, Feb. 25 will be in the ~~ocean in the area known as the Coronado Roads~~. For navigation, refer to NOAA Chart ~~#18772, Approaches to SD Bay~~.

TO

- 8.1 The racing area on Saturday, Feb. 25 will be in the **South Bay**. For navigation, refer to NOAA Chart **#18773, San Diego Bay**.

Purpose: While there will be no escaping the rain this weekend, moving into the South Bay will at least eliminate the possibility of high waves for our racing. It seems appropriate to make this decision earlier rather than later.
