1. Rules.

1.1. The preamble to Appendix J of the 2021-2024 RRS states that the SI need not repeat a rule from the NOR so please **carry copies of both the NOR and SI on board at all times.**

1.2. This series will be governed by the “rules” as defined in The Racing Rules of Sailing for 2021-2024 (RRS), except as modified by this notice of race and the sailing instructions. Compliance with the US Safety Equipment Regulations (USSER), US Nearshore Race level, as effective January 1, 2022, is recommended.

1.4. USSER compliance may be monitored with random inspections to be made after the finish of each race for minimum equipment compliance. If selected, you will be contacted by a technical committee member to make arrangements for the inspection.

However, a yacht that is reported by a government authority for a breach of IRPCAS Rule 10, may be protested by the Race Committee, and also subject to any penalties levied by the government authority. The penalty is at the discretion of the protest committee. This changes rule 60.2.(a)

[are] in doubt whether sufficient action is being taken by the other to avoid collision, the vessel in doubt shall immediately indicate such doubt by giving at least five short and rapid blasts on the (horn).” Any boat participating in an LAYC race that is identified in any complaint from the Coast Guard, Harbor, Pilot or a Commercial Vessel Captain that has warned that participating boat by sounding five horns will be presumed to have infringed this instruction. **RRS 60.2, 63.1 and A5 are modified to add that the Protest Committee may disqualify a yacht infringing this instruction without a hearing.**
