SAYRA Junior Grand Prix Championship Series

Notice of Series 2023

1.0 Rules:

- 1.1 The series will be governed by the *rules* as defined in *The Racing Rules of Sailing* and:
- 1.2 The SAYRA Junior Championship Committee “[Code of Ethics](#)”: All competitors, parents, coaches, or other parties of interest are expected to comply with all rules of sportsmanship (RRS) and the “Code of Ethics”. Violation on their part may result in the competitor’s disqualification from the race, regatta, or Series and reporting to their member club.
- 1.3 Host Club’s Notice of Race (NOR), section 1 RULES shall reference and provide a link to this SAYRA Junior Grand Prix Championship Series NOR.

2.0 Club Host Regatta Eligibility:

Appendix A and B reflect Host Requirements and Recommendations, please read completely.

- 2.1 Club shall be a member in good standing of the SAYRA organization.
- 2.2 Club shall notify the SAYRA Jr Committee of who will serve as their local SAYRA Jr Representative for the event. That representative will act as point of contact for scores and regatta information.
- 2.3 Club shall report scores to the SAYRA Jr Chair at sayrajr@sailing@gmail.com within 1 week after the event.
- 2.4 Club shall comply with section 7.0 Scoring. Additional specifications for host club responsibilities can be found in Appendix A. Please reference this additional specification prior to the regatta and with your regatta scoring delegate. If you have any questions, please reach out to the SAYRA Jr Committee at sayrajr@sailing@gmail.com.
- 2.5 Any Club failing to follow these NOR Club eligibility requirements may be subject to removal from future series participation.

3.0 Sailor Series Eligibility and Entry:

- 3.1 This series is open to boats of the following classes:
 - Optimist** – Green, White, Blue and Red Fleets
 - Sunfish** – Junior Fleet
 - ILCA** – 4, 6, and 7 Fleets
 - C420** – Spin/trap (Non Spin may compete but must start and be scored with C420)
 - O’Pen Skiff** - U13 and 13+ Divisions
- 3.2 To qualify for the series, each sailor shall be a member of a SAYRA organization, or a dependent, or a ward of a member of a SAYRA organization. Qualifiers must also be a primary resident of the SAYRA region. If you are a member of more than one club, please note that on your registration to the series.
- 3.3 Each sailor shall conform to the eligibility requirements of the host club’s Notice of Race
- 3.4 **All sailors participating in this series are required to register: their name, birthday, home club, contact information, and division sailing at the Host Club Regatta event.**
- 3.5 Acceptance of a registration by the host club does not automatically qualify an individual to be scored in the SAYRA Junior Grand Prix Series unless he or she meets the eligibility requirements of this Notice of Race.
- 3.6 Optimists are sailed in four divisions:
 - Green Fleet: Open to all novice sailors under age 15 and through 12/31 of the calendar year in which they turn age 15;
 - White Fleet: Age 10 and under;
 - Blue Fleet: Age 11 - 12;
 - Red Fleet: Age 13 – 15, and through 12/31 of the calendar year in which they turn age 15.
 - Skipper's age on the first day of a regatta determines his or her fleet for that regatta (consistent with USODA requirements). Skippers move fleets on their 11th and 13th birthdays. Those turning 15 may continue in the Red Fleet through December 31st of that year.
 - SAYRA Series Scoring: Sailors who change fleets during the year will still receive participation points for each regatta sailed. Optimist Red, White, and Blue sailors will be assigned a fleet for SAYRA Series year-end scoring purposes. The fleet assigned is the appropriate fleet for the last regatta of the year. Example: A sailor sails 2 individual regattas in Blue fleet and then 2 in Red fleet as directed by the age requirement above. For the SAYRA Junior Grand Prix Championship scoring, the sailor will be placed in the Red fleet (based on their age at the year-end SAYRA regatta in November) and the best 3 scores of the eight regattas sailed will be used as their score. Green fleet scores are handled separately and do not contribute to the year-end standing of Opti RWB sailors. For proper scoring of Optimist Red, White, and Blue, see Scoring below Section 7.
 - USODA requests that participation trophies are awarded to all Green Fleet sailors. If you are unclear, please contact those listed in section 2.4.

6.1 Regatta Protests: All protests or requests for redress emanating from an alleged breach of a rule of the Racing Rules of Sailing in a regatta will be administered by the host club's Protest Committee. Host Clubs are encouraged to carefully select Protest Committee members so as to avoid conflicts of interest.

6.3 Series Protests Time Limit: The time limit to file a protest or redress request with the SAYRA Jr Chair shall be January 1, 2024. This will be determined by the time stamp of the request. The request shall be filed via email and in accordance with the RRS Part 5, Section A.

7.0 Scoring

The High Point Scoring System will apply to this series as follows:

7.1 The Series will be scored on the basis of the finishing position attained in registered class at each event. All competitors will be included when determining available high point values.

7.2 NOR Section 5.0 indicates how many regattas are counted and the minimum requirements to qualify. Only one score per competitor will be used per venue.

7.3 SAYRA series points will be awarded to registered skippers only.

7.4 Regatta results shall provide overall Class of boat, as well as Division/Fleet results. For example: 1st – 10th Overall scoring for Optimists, as well as Fleet Divisional results. Please see Appendix A and B for the Host guidelines and scoring template. If you don't understand this, please ask those listed in section 2.4 PRIOR to the event.

7.5 Scores shall be sent to the SAYRA Jr Grand Prix Championship Series Scorer as specified in section 9 within 1 week after the regatta. It is the responsibility of the host club's SAYRA Jr. Representative to submit the scores properly and promptly. Failure to do so will jeopardize the host club's event scores being used in the series scoring. See NOR Section 2.0. NOTE: if the regatta has been sailed prior to the date of this NOR, those scores will be accepted.

7.5 Each club shall provide the complete registration information with their event scores as outlined in Appendix C.

8.0 Awards

Trophies will be awarded as follows in the SAYRA Junior Grand Prix Championship Series provided the award winner meets the qualifications according to this NOR. The awards will be presented at the 2024 SAYRA Annual Meeting. Series standings will be posted online at www.sayra-sailing.com and updated within 30 days of each regatta.

Optimist – Green - Participation Awards for qualified sailors

The purpose of the Green fleet is to encourage novice sailors. To discourage sailors from staying in Green fleet, in order to win races and receive awards, USODA's policy is to present "Participation Awards" to all skippers sailing in the green fleet that meet the participation requirements in section 6.0. By not recognizing a champion, sailors and their parents are encouraged to move to the appropriate age fleet as they become more confident of their abilities.

SAYRA series points will be awarded to registered skippers only. Awards will be given to the skipper and their crew. If the crew changes, then the skipper will determine who to give the crew award to.

Optimist Red, White and Blue	1 st – 3 rd Overall each division
Sunfish Junior	1 st – 3 rd Overall
ILCA 4, 6 or 7	1 st – 3 rd Overall each division
C420 Spin/Trap	1 st – 3 rd Overall
Open Skiff U13, 13+	1 st – 3 rd Overall each division
