1. RULES

- 1.1 The regatta will be governed by the Racing Rules of Sailing (RRS), the rules of PHRF Southern California and San Diego Class Rules and By-Laws, the rules of the competing classes (except as any of these are altered by these sailing instructions), and by the USCG Navigation Rules Inland.
- 1.2 Appendix T: Arbitration and Appendix V: Alternative Penalties, will apply. See NOR 8.
- 1.3 PHRF San Diego General Purpose (RLC) ratings will be used to score this race. The PHRF San Diego Windward-Leeward (Buoy) ratings may be used for scoring in the event a race is run on a windward/leeward buoy course. Offsets may be used in computing scoring of non-spinnaker boats.
- 1.4 No vessel has the right of way over a large ship in the channel. RRS 60.2 and 63.1 are modified so that the Race Committee (RC) may disqualify a boat infringing this instruction without a hearing.

2. ELIGIBILITY AND ENTRY

- 2.1 The regatta is open to all NYCSD members in good standing, all MWR eligible patrons, and Navy Yacht Club member's guests. This rule does not apply to MWR-owned boats and boats owned by non-profits.
- 2.2 Boats should have a current Rating Certificate from [PHRF San Diego](#) or have a rating in the [PHRF San Diego Manufacturer List](#). All other racers must contact the Principal Race Officer, listed above, for a rating.

Class Description	Class Number	Class Flag Numeral Pennant
Racing	1	1
Cruising	2	2
Capri 16.5	3	3

- 6.2 Except for the Capri 16.5 class, competitors may sign up for the Racing or Cruising class but the RC may change class assignments based on PHRF ratings. Official class assignments will be posted on the [NYCSD Regatta Network event page](#) by 1800 the day prior to the first race of the series. Provisional assignments for late entries may be made by the RC. The Organizing Authority retains final authority for a boat's class placement.
- 6.3 Competitors' class flag numerical pennants may be displayed from the boat's backstay. Boats without a backstay may display their pennants in the next most visible position.
- 6.4 Assignment of Capri 16.5 boats for competitor use, will be determined prior to departing the pier. Skippers will draw a random card from a stack of cards with each card having a corresponding boat number that is on the bow of the Capri 16.5. Skippers will draw one card on a first come first serve basis at the bar area. Swapping of assigned boats will not be authorized after the card has been drawn.

7. SCORING

- 7.1 Low Point Scoring System, Appendix A of the RRS, as amended by these instructions will apply.
- 7.2 PHRF San Diego General Purpose (RLC) ratings will be used to score all races. In the event a windward/leeward course is chosen, PHRF San Diego Windward-Leeward (Buoy) ratings *may* be used for

scoring. **Special Handicap adjustments (up or down) may be made to level the field of participants in order to make the series anyone's race.** Each Skipper can elect to sign up in any class, but changing classes mid-season may affect a boat's ability to compete for the season championship.

- 7.3 Non-Spinnaker offsets will not be used.
- 7.4 Each boat's final series' score will be based on the best five scores (or one thrown out for a six-race series). A score for the purposes of this NOR is defined as a finish position, DNC, DNS, DNF, DSQ or other position as defined in the RRS, or the sailing instructions. A finish, DNS, DNF or a DSQ qualifies as participating in a race but a DNC does not. Should an entrant who does not participate in four races of a series finish in the top three positions, the next racer below them, who participated in 4 races, will move up in the series standings.
- 7.5 Depending upon participation and access to MWR rentals, scoring for the Spring series may be adjusted. The Organizing Authority retains final authority for scoring adjustments.
- 7.6 Capri 16.5 will be scored for the skipper assigned to the boat's number for each race. Skipper substitution will not be authorized.

- 8.1 During the Club's "Bring-Your-Own" Wednesday night barbeque (BBQ), provisional winners from each class will be announced. These winners will be awarded a commemorative winner flag that may be flown in their boat's rigging throughout the next week's race. At the end of the next race, these flags will be turned in to the RC for distribution to that night's provisional winners.
