These risks include strong winds and rough seas, sudden changes in weather, failure of equipment, boat handling errors, poor seamanship by other boats, loss of balance on an unstable platform and fatigue resulting in increased risk of injury. Inherent in the sport of sailing is the risk of permanent, catastrophic injury or death by drowning, trauma, hypothermia, or other causes.

22 SPECIAL NOTES

22.1 Any boat receiving ‘hands on’ assistance from rescue/mark boats will be scored Did Not Finish. *This changes RRS A5.* The RC may decide when a boat or crew needs assistance.
