5. Notices to Competitors will be posted on the official notice board located in the lobby or on the grounds of the SJRYC building and prior to the day of the event posted at [www.rhumblineregatta.com](http://www.rhumblineregatta.com). Signals made ashore will be displayed from the flagpole located by the Rhumbline Bar, next to the swimming pool at the SJRYC. If a postponement is signaled ashore, an audible warning signal will be made not less than 15 minutes after AP (two flags) is lowered. The AP flag may be substituted by a number flag as indicated at the skippers meeting.

6. Skippers Meeting will be held at 10:30 AM EST Saturday, 10 June 2023 at the SJRYC at which time any Section breaks will be announced. The warning signal for the first section

will be at 11:55 AM EST with the first start scheduled at 12:00 Noon EST which will be the warning for the next section and so on. The class Section flags will be provided at the Skippers Meeting.

7. Class Starting Sequence: We will plan to start Sections in the following order: JaM first, then Spinnaker; however, the Race Committee reserves the right to announce a change in the starting order.

8. Racing Area, Course, and Marks, and Missing Mark Rule: The racing area will be around the permanent markers of the SJRYC Sail Racing Fleet as well as possible additional inflatable markers. A course chart will be distributed and the course will be announced at the Skipper's Meeting. All marks will be cylindrical swim buoys or inflatable markers. All marks must be rounded if within visual range of the published location. In the event of a missing mark, Rule 34 is amended such that if a mark is missing from the published location a "virtual GPS rounding" shall be made by rounding the published position of the missing mark." A competitor making such a mark rounding must notify the race committee via VHF, channel 69, immediately after doing so.

9. Starting, Finishing Lines, and Starting Procedure: The starting and finishing lines will be between the Committee Boat and a buoy. The Sound Signal Starting System of Appendix Q will be used.

10. Time Limit: The time limit for each Section will be five (5) hours for the first boat to finish. Boats finishing more than 60 minutes after the first boat finishes in their respective Section will be scored DNF. This changes RRS 35.

11. Broadcasts and Change of Course after Starting: All radio broadcasts will be made on VHF channel 69. All yachts will be required to monitor VHF channel 69 during the race. Change of course will be by VHF radio ONLY on channel 69. In the event of a course change, it will be called before the lead boat reaches the mark where the change will take place. A course may be changed for one section but not all sections, for example shortening the course for JaM and not Spinnaker Sections

12. Protests shall be delivered to the Race Committee within 30 minutes after the race committee boat docks. The protest time limit and a list of protests received will be posted on the notice board. Hearings will be held as soon as possible after the race in the Board Room of the SJRYC. The decisions of onsite protest will be final and not open to appeal.

13. Scoring will be Time-on-Distance. This is a single race Regatta with multiple sections. The winner will be determined using the LMPHRF Time-on-Distance formula.

14. Withdrawal: No yacht is to leave the race course after starting without communicating to the Race Committee either visually or via VHF radio on channel 69.
