WYS and receive a score other than DNC for the day missed. The scores for the Series races on the missed race day will be determined at the end of the season and will be based on an average of the competitor's scores in Fall Series for all races sailed at WYS during the Series. In addition, the away race must be a race in which the away competitor competes in the same class and capacity (i.e. skipper, crew, etc.) as they are racing in the WYS Series. This option may be exercised only one weekend during the Fall Series.

10.3 Any boat not properly registered in accordance with Para. 5 above will be scored DNC for any days such improper registration persists.
