such as Washington Sailing Marina) and our local waters (including the Potomac River) is very important to us. We ask for your help in this effort when racing with PRSA. In particular, we ask that you:

- Clean, Drain, Dry boats, trailers, and other recreational equipment that comes in contact with water. Avoid moving vegetation and other potentially invasive aquatic organisms to new waterbodies.
- Consider a water only washdown for your boat following the event.
- Bring reusable rather than single-use water bottles.
- Print one, double-sided copy of the Sailing Instructions if you wish to have a hard copy.
- Ensure that recycling and trash is separated properly before disposing of waste.
