- 7.2 No races will be excluded for the PHRF fleet. This changes Appendix A2.1.

- 7.3.1 If there are more participants than 420 boats available, two or more “heats” will be formed. The top boats from each of the “heats” will proceed to a championship round. Since only the boats in the championship round can be properly scored those participants will be scored the number of points according to where they place. Other participants will be scored a Number-of-boats-in-Championship-round +1. Ex. If there are 4 boats that compete in the championship round they will receive a 1, 2, 3, and 4

- respectively whereas all other participants in the 420 races will be given a 5.
- 7.3.2 Any boats that do not participate in the 420 races/skills events but are entered in the regatta will be scored number of entries +1.
- 7.3.3 Each PHRF boat must designate two (2) crew members prior to the start of the 420 races for representing them in the 420 races.
- 7.3.3.1 Designated crew members from different PHRF boats cannot sail on the same 420 if they wish to represent a PHRF boat unless mixed crew format is adopted.
- 7.3.3.2 All designated crew members for 420/Skills Events must race on Saturday with the same PHRF boat they are representing.
- 7.4 This regatta will include Competition/MORF Cup (CC/MC) scoring replacing the cancelled CCYC Race Week scores. CC/MC will be scored solely on the keelboat races Wednesday, Saturday and Sunday. The separate scoring will be passed to MORF for CC/MC Scoring.
