- 9.2. Cruising Club classes will have a valid GBCA Club Handicap rating. Cruising Club classes are also encouraged to have a valid PHRF certificate. Information on obtaining a rating can be found at: <https://gbca.org/CruisingClass> **As it is the basis for their rating, all competitors in the Cruising Club classes are strongly encouraged to obtain a valid PHRF rating certificate.**
- 9.3. Multihulls shall have a valid TOMA rating
 - Smaller multihulls shall be rated under SCHRS.

10. CLASSES AND HANDICAPS

10.1. The Classes are defined as follows:

- **ORC Spinnaker class** – Any boat with a valid ORC Club or ORCi certificate are eligible. In addition, boats in a recognized One Design configuration (ODR) or common configuration that are listed on the start time schedule included in Attachment #2 are eligible as well. If your boat or boat type are not listed, please reach out to Commodore Chris May (may.chris.w@gmail.com).
- **PHRF Spinnaker class** – All boats with a valid PHRFGB rating certificate are eligible. Any yacht without a current PHRF-GB rating shall race in the GBCA Club Handicap classes with rating guidelines applied.
- **PHRF Non-Spinnaker class** – The boat may not fly a spinnaker but may pole the jib or genoa out using a whisker pole. This handicap will be assigned by PHRF-GB. Yachts in this class shall use their PHRF-GB assigned non-spinnaker rating. Any yacht without a current PHRF-GB rating shall race in the GBCA Club handicap classes with rating guidelines applied.
- **GBCA Shorthanded class** will sail in accordance with the GBCA Shorthanded rules and will not subdivide. This handicap will be assigned by PHRF-GB.
- **GBCA Club Handicap Non-Spinnaker class** is intended for those owning cruising boats and/or novice racers. Boats that are raced by prominent racers or that are known to be racing class boats may be assigned a more conservative handicap (lower/faster) than the established PHRF rating by the Fleet Captain or their designee. This class shall be non-spinnaker.
- **GBCA Club Handicap Spinnaker class** is intended for those owning cruising boats and/or novice racers with a spinnaker, asymmetric or symmetrical and to be a steppingstone between the GBCA Club Handicap Non-Spinnaker class and the PHRF Spinnaker class. Boats that are raced by

prominent racers or that are known to be racing class boats may be assigned a more conservative handicap (lower/faster) than the established PHRF rating by the class coordinator or the GBCA Board. Any new boat entering this class will initially start with a PHRF handicap, or a PHRF handicap assigned by the Fleet Captain or their designee.

- **Multihull shall** use their TOMA assigned rating. Boats without an established handicap, shall have one assigned by Race Chairman or Fleet Captain.

10.2. PHRF Handicaps are those shown on each yacht's 2023 PHRF-GB rating certificate. Yachts may not take adjustments for different headsail sizes on a per race basis. Yachts may elect to race in any class on a per race basis. Points earned in one class will not be transferred to another. For the Cruising Club Classes, Skippers who do not have a valid Galveston Bay PHRF certificate may obtain a provisional rating from the Commodore at may.chris.w@gmail.com or 713-591-8115. Skippers are urged to obtain a PHRF-GB certificate (www.PHRFGB.com) as provisional ratings tend to be more conservative (lower/faster) than a valid PHRF-GB certificate and are intended only for first time racers or those new to the area.

10.3. GBCA Club Handicap Registration: Yachts intending to participate in the GBCA Club Handicap class no longer need to register beforehand. If you have a valid Cruising Club Rating, you just need to participate in the race and submit your time like all other classes. This will add/update your boat into the scoring database. See Finishing below. If you do not have a Cruising Club rating, contact Fleet Captain at StoneLack@icloud.com. Skippers are urged to obtain a PHRF certificate [phrfgb@gmail.com], as provisional ratings tend to be more conservative (faster) than a valid PHRF-GB certificate and are intended only for first time racers or those new to the area.

Club Handicap Ratings will be adjusted based on fleet performance after each race.

View the current club ratings and recent changes to ratings based on prior performance - <http://racing.gbca.org/club.html>

11. CLASS FLAGS

11.1. Yachts racing in the Fall Series shall **clearly display** their class flag(s) from the backstay or other prominent **visible position on the stern of the yacht throughout the race**.

- The ORC Spinnaker class flag is **pink**
- The PHRF Spinnaker class flag is **white**.
- The Non-spinnaker class flag is **dark**.
- The Shorthanded class will display a **white** flag over a **dark** flag.

13.2. Starting Times

The starting times are listed in Attachment #1 and Attachment #2. Participating yachts may obtain the correct time on any WWV frequency or by calling 1-303-499-7111, or from a GPS. The start times in Attachment #1 are based on a course length of 11.23 nautical miles and are computed so that a yacht with a rating of 285 will start (base start time) at 11:00 hours. If you do not find your rating in Attachment #1, you may compute your start time as follows:

For PHRF: Let **R** be the yacht's PHRF or GBCA Club Handicap rating and **S** be the starting time adjustment in seconds.

$$S = 11.23 \times (285 - R)$$

Starting Time = base time + **S**

For ORC, each boat with a valid ORC certificate is listed in Attachment #2.

13.3. Finishing

All skippers who would like to be scored for series results will submit their start and finish times to <http://racing.gbca.org/>

The first yacht in each class to cross the finish line will be the winner of the class and be required to record the next TWO places in her class by legibly recording the boat name and or sail numbers. When uploading your yacht's time, you should include the next two places in the appropriate fields. We do not need times for the next two boats, just the places.

Pro-Tip: When submitting the form, if you include your email, it will "prefill" the form the next time you open it. You will only need to update the finish time. Times submitted shall be CST, (UTC-6, see 13.2 Starting Times).

Please use military time, i.e.: 18:42:00. AM/PM is not allowed on the form.

We expect discrepancies to the actual start and finish times, and we will do our best to mitigate and differences due to "fat fingering" or incorrect input. It is not required that you keep a record of your race (via GPS tracks or photographic with timestamp), but in the case of a conflict, those with supporting data will certainly be more persuasive. If you find a discrepancy, please contact at May.Chris.W@gmail.com, 713-591-8115. If there is evidence of incorrect results, changes will be made after the awards to correct the overall standing, but the results at the time of awards will be final for race trophies (we will not hand out additional rum for those late to enter results, etc.).

There will be a computer available at the clubhouse to complete the form. You have 24 hours from the start of the race to upload your results. You may modify the results (using the same link) at any time before awards. Again, these will only be accepted if the site is not functioning. When submitting your results, you will find "boat ahead" and "boat behind".

While optional, these help with mitigating incorrect input times. It is most helpful to use boats within your fleet as references, but any boat is helpful.

The race ends at **sunset**. Any boat that has not finished by this time will not be scored.

14. PENALTY SYSTEM

- 14.1. The Two-Turns penalty is in effect for all violations of the rules. This changes RRS 44.1.
- 14.2. The Scoring Penalty, RRS 44.3, will not apply.
- 14.3. There is no formal system for protest. However, a boat may be disqualified without a hearing for serious violations of the Rules or these sailing instructions by the Fleet Captain, Regatta Chairman, and/or GBCA Board. This changes RRS 60 & 61.

15. SCORING
