

SAILING INSTRUCTIONS

Lady at the Helm Race

Saturday, November 4, 2023

Organizing Authorities:

Channel Islands Yacht Club (CIYC) and
Channel Islands Women's Sailing Assn (CIWSA)

- 1 **RULES:** The race will be governed by the rules as defined in the *Racing Rules of Sailing*. Area A Random Leg Course (RLC) ratings will be used for scoring. At least one female crew must be onboard, and **a female must be at the helm during the entire race - especially during the start, finish, and rounding a course mark.** Male crew members may coach the helmswoman but must remain completely “hands-off” the helm except for periodic short breaks (<5min) or a true emergency.

Any changes to these SIs will be posted on the Regatta Network event page (<https://www.regattanetwork.com/event/27179>) within 30 minutes after the conclusion of the Skippers Meeting and/or communicated on the water to each boat before her starting signal.
- 2 **RACE CLASSES & START SEQUENCES:** Final classes, class breaks, class starting order, and gaps between class start sequences (if any) will be established during the Skippers Meeting. Classes will be signaled via numeral pennants or a one-design class flag, as applicable. The first start is planned for 1130.
- 3 **RACEQs:** As an (optional) adjunct to everyone's enjoyment after the race, *prior* to leaving the berth, each boat is encouraged to download the “RaceQs” application on *one* crew member's smart phone or tablet, open a free account, add the boat to the account, and select “Preset Start” to race start time or before. After crossing the finish line, select “Stop Tracking,” and “Save & Upload” the boat's track. For more information check out their website: <https://raceqs.com>
- 4 **THE START:** The race will be started using Rule 26. Racing will begin near the Mandalay spar buoy (“Sm” on the CIYC Course Chart, page 3). The starboard end of the starting line will be designated by an orange flag on the RC boat, and the port end will be the Mandalay spar buoy.

Prior to her start, each boat shall check in with the RC by radio (VHF Channel 68) or by hailing the RC boat while sailing a starboard tack past her stern. Boats whose warning signal has not been made shall avoid the starting area during the starting sequence for other classes.
- 5 **THE FINISH:** The finish line will be between the Mandalay Race Buoy and the stack of the Mandalay Power Plant ashore. Each boat will finish at the moment when her bow is within 3 boat lengths of the buoy, between the buoy and the stack, and her bearing to the stack is 72°T (59°M).

Each boat will be responsible to record her own GPS finish time and to report it to the RC by text (415.518.4046) as soon as practical after finishing. A boat that starts but subsequently

retires without finishing is asked to notify the RC by text at her earliest opportunity.

- 6 THE COURSES:** The racing area will be the coastal waters of Ventura County. Courses will be chosen from the CIYC Random Leg Course Chart, Mandalay Buoy Start and Finish, page 3 of these SIs, which includes course distances of 4.2-19.5nm. When an oil platform is a mark of the course, any associated mooring buoys are also marks of the course.

The RC will signal the course number for the first starting class no later than the class warning signal. For succeeding classes the RC will signal the course number as soon as possible after the warning signal for that class; this changes Rule 27.1.

- 7 PROTESTS:** Any boat intending to lodge a protest must raise a red protest flag and notify the offending boat and/or RC at her earliest convenience. Details of the protest shall be delivered to the RC within 1 hour of the protesting boat's finish or early retirement.

A "Hearing Request" form is recommended for filing a Protest, Request for Redress, etc, and is available online via World Sailing (<https://www.sailing.org/inside-world-sailing/rules-regulations/racing-rules-of-sailing/>).

- 8 INSURANCE AND SAFETY EQUIPMENT:** All boats shall carry a VHF radio capable of transmitting and receiving on Channels 16 and 68. The RC will monitor VHF Channel 68 throughout the race. Compliance with near-coastal safety equipment requirements (<https://ussailing2018.wpenginepowered.com/wp-content/uploads/2022/01/Monohull-SER-2022.0-Nearshore.pdf>) is strongly recommended.

- 9 HOSPITALITY & PRIZES:** After racing, all racers are invited to CIYC for hot food, camaraderie, no-host libations, and individual race awards beginning approximately 1600. We will also attempt to view the combined RaceQs (<https://raceqs.com>) tracks from the day's race. The Lady at the Helm Perpetual Trophy will be engraved with the names of the winning boats and skippers and displayed at CIYC.
