

PERRY CUP OFFICIAL NOTICES—November 1, 2023

1. Clarification of RRS A5.3: “The number of boats that came to the starting area” shall be equal to the maximum number that came to the starting area for any one of the races completed that day. Thus a boat that came to the starting area for the first race of the day only will be scored as if they came to the starting area for all subsequent races of the day.
2. After the first day of Perry Cup racing, the schedule of races may be modified by adding extra races each day in an attempt to complete twelve races for the series. Thus there may be one or more extra races each day, depending on the conditions. The Race Committee will signal the end of racing on each day with an announcement on VHF 68 and the visual signal “AP over A” with two sound signals.
