Saturday, February 24, 2024

- 1) RACING RULES: This event will be governed by the Racing Rules of Sailing (RRS) except as modified by these sailing instructions.

RRS 52, Manual Power, is amended to include: Boats entered in the Shorthanded division are allowed to use autopilot mechanisms for sail changes and other situations where having one crew member assigned to steering may compromise the safety of the crew or craft.

- 2) COMMUNICATIONS: All race communications will be made using VHF channel 72. Skippers shall monitor VHF channel 16 for vessel traffic information and relevant notice to mariners.
- 3) START: All boats shall start together at 9:30 am in Fidalgo Bay. The start line will be between the R2 mark and the center stripe of the Range Marker on the refinery dock located East of R2. The designated RC start boat Beneteau 331 ***Shmily II*** will display a flag to identify itself and will be on station to observe the start maintaining a position in line with the R2 & Refinery Range marker, but it will NOT be a part of the starting line. As a courtesy to racers, race information will be communicated via VHF channel 72.

FINISH: The finish line will be located at the red Reid Rock "DR" mark in the vicinity of Friday Harbor, WA. Boats shall pass to the north within 3 BOAT LENGTHS of DR. Skippers shall record their finish time using GPS time when DR is bearing 180 degrees and report it to the race committee within one (1) hour of completing the course. It is strongly recommended that boats record their finish using a time stamp of a GPS image. There may be a finish boat on station, but it will not be required or expected.

Text your finish: boat name and finish time to Frank Parker  
(757) 718- 9781 to be scored.
