CCSC Youth IQ Foil Winter Training Camp

December 27-30, 2023

Clearwater Community Sailing Center

1001 Gulf Blvd Clearwater FL 33767

Join Team CCSC's youth windsurf team for our winter training camp. Advanced and Beginner windfoil racers are invited. The two groups will work together on land and be able to separate on the water. This camp will build on the format of the thanksgiving camp. The main priority is getting sailing hours. If the wind conditions are poor time will be filled with lots of relevant windsurf content like fitness and video coaching as well as other non-windsurfing team building activities.

Schedule each day
