

# Mauni Elliott

## Amendments to OCSA General Sailing Instructions

### Section 0. FUN

Have Fun and Sail Clean!

Mauni Elliott is a Fun Race Series. It's not worth swapping gelcoat or raising your blood pressure on the course. Put a little extra distance between you and your competitors. Don't push things to extremes at starts or mark roundings and generally be courteous. If a boat to weather of you has their spinnaker up and is loaded with inexperienced people, don't head them up until they lose control.

### Section 11. The Start

11.25 Start at Preparatory Flag being lowered

Boats displaying flag/streamer provided by the race committee may begin racing after the Preparatory Flag is lowered for their fleet (1 minute early).

### Section 15. Scoring

15.1 Races for PYC Handicap Class will be scored using PYC Handicap Time-on-Time ratings. Level Fun Fleet will be scored as finished with adjustments as noted in 15.15

15.15 Adjustments for Level Fun Fleet

**Each weekly score will be adjusted as follows -1 pt for each item:**

- a. Boat with oldest average age of boats competing that week
- b. Boat with youngest average age of boats competing that week
- c. Boat with most PYC members on-board that week
- d. Boat selected to have best theme by non-scientific sampling of sailors each week

**Total Series Scoring will be adjusted by number of years since boat last participated in ME, with a limit of 5 pts**

Eg: Boat last raced ME in 2020, Didn't participate in 2021, 2022, 2023 = 3 point adjustment
