## Founders Cup

---

The Founders Cup Trophy was donated by Ann and Rene Morris in 1992 to recognize and honor the founding members of MBYC. The Cup is awarded to the winner of each class participating in the Bay Winter Series and the winner of the designated Ocean race. MBYC membership is not a requirement for participation in these races. The perpetual trophy is to remain in the showcase except when being engraved or presented.

### DEED OF GIFT FOUNDERS' CUP

Name: MBYC Founders' Cup

Purpose: The purpose of this cup is to encourage class racing in the bay of Morro Bay.

It is also to encourage ocean racing in the ocean off Morro Bay.

Venue: Competition for the cup will take place during the Winter Race Series held each race year at the Morro Bay Yacht Club. The winner of the Winter Series for each class of boat will have their names inscribed on a plate on the base of the cup

Establishment of a class:

Bay Races: A class shall be established for a boat if in any of the three winter Race Series three boats of the same class race. Ie: Three boats of the same class racing in any one of the nine races over the Winter Series will establish a class for the purposes of this cup.

Ocean Races: Ocean class is defined as any vessel considered as an ocean boat by the Rear Commodore of the MBYC. The ocean Fleet may use any rating system they deem fair. The competition for the cup by the ocean fleet will be different from the Bay Fleet. Only one race, held on a day chosen by Rear Commodore or the Ocean Fleet Captain will determine the winner of the cup. The Race must be held during the winter in safe conditions.

## Display of the Cup

The cup shall remain in the trophy case of the MBYC unless it is being engraved or being presented at the annual Commodore's Ball.

We give this trophy cup to honor the Founders of the Morro Bay Yacht Club. It is to remain the property of the Morro Bay Yacht Club as long as the club exists. Should for any reason the club be disbanded, the trophy will be returned to the donors or their heirs.

We hope to see spirited racing encouraged by this cup.
