### **Welcome to the 2025 US Sailing Multihull Championship, hosted by the Formula Wave Class!**

We're back! It was so good, we had to do it again. First and foremost, thank you so much for attending this regatta. Without the support of sailors like you, regattas like this couldn't happen.

Making an event like this happen is a major undertaking, and it takes a dedicated team to pull it off. A special thank you goes to the Corpus Christi Yacht Club for ensuring we will have quality racing, Bree and others at Corpus Christi Sports Commission, and to the Surfrider Organization for helping us make this event sustainable and environmentally friendly.

On behalf of the FWC leadership team, we hope you have a great week, and please don't hesitate to find one of us if you need anything. We want this to be a fun experience for you.

Thank you for joining us, and sail fast!

**Wendy Rice-Larson, Ben Wells, & Chris Wessels**

The U.S. Multihull Championship for the Hobie Alter Trophy has become one of the nation's major sailing championships, having featured world champions from numerous classes, Olympic medalists and several national champions from the multihull ranks.

The U.S. Multihull Championship was conceived by the Multihull Council in the spring of 1985 as a service to multihull racing sailors. It is intended to determine a U.S. national multihull champion and is sailed annually in various types of multihulls.

The perpetual trophy was presented and named the Alter Trophy in 1986 in honor of Hobie Alter, Sr. and his extraordinary promotion of one-design multihull sailing and racing programs. The U.S. Multihull Championship for the Hobie Alter Trophy has become one of the nation's major sailing championships, having featured world champions from numerous classes, Olympic medalists and several national champions from the multihull ranks.
