

Refund Policy:

We understand unexpected situations arise when signing up for an event several months in advance. We also hope you understand events of this magnitude have close budgets to follow, and we often have to pay for things in advance of the event. In light of this, our refund policy is as follows:

Sailors needing to drop out for any reason will be refund their registration amount minus \$125 and the regatta network processing fee prior to October 1st.

After October 1st, no refunds will be issued.
