# ISLAND SERIES

# NOTICE OF RACE

## THE RACES

**Hardway Race      May 11, 2024**

**Milt Ingram Trophy Race      July 20, 2024**

**Tri-point Ocean Race      August 10, 2024**

The Hardway Race, Milt Ingram Trophy Race, and Tri-point Ocean Race have been hosted by PBYC for over three decades. Each race uses one of our Channel Islands as a mark of the course. The Island Series combines these races into one event, giving racers a prestigious series of competition and our Sponsors exposure throughout the summer. Each race can be entered individually. The NOR for each race is included herein.

Boats must enter all three races to be scored for the Island Series. The Island Series is a three-race series with no throw-outs. For Series scoring purposes, there are four classes: Spinnaker A for boats that race around Santa Cruz Island in the Hardway Race, Spinnaker B for boats that race around Anacapa Island in the Hardway Race, Non-spinnaker, and ORCA.

Trophies for the three individual races as well as the Island Series will be awarded at PBYC on Sunday, August 11th after the Tri-point Ocean Race.
