

59th ANNUAL DON Q SNIPE REGATTA
APRIL 4-6, 2025
COCONUT GROVE SAILING CLUB
& SNIPE FLEET #7

VAKAROS MOUNTING INSTRUCTIONS
Posted April 3 2025

All boats must mount their Atlas 2 or Edge units to their Tactic mounts, using the supplementary mounts that will be provided by Snipe Fleet 7. This is the only allowed mounting location. If the devices are observed to be mounted in any alternate location without RC approval, then the boat is subject to protest and possible disqualification.
