

**AUTHORISATION TO AMEND THE SNIFE CLASS RULES IN ACCORDANCE WITH RRS 87**

Following the request submitted by the US National Secretary of the Snipe Class, the Technical Committee authorises the amendment of the Class Rule C.5.1(a) as indicated in the Notice of Race of the Don Q Regatta, allowing the use of Vakaros devices under the following conditions:

1. the device must be available to all competitors
2. authorised functions will be:
  - heading
  - OCS Y/N at the start
  - timer and chrono

Permission is granted as a TEST depending on the future development of the Class Rules.

At the end of the event the National Secretary will submit a survey to competitors on the outcome of the test which will be forwarded to the Class' Board.

This authorisation to be posted on the Official Notice Board.

March 25, 2025

The Chairman  
Antonio Bari
